

Conservation Credit System Proponents Workshop

Elko Convention Center • Turquoise and Gold Rooms • 700 Moren Way, Elko, NV 89801

Tuesday, May 20, 2025

You are cordially invited to the first Conservation Credit System Proponents Workshop. This one-day statewide workshop is open to any property owners, mitigation bankers, and industry folks (no verifiers) who are or can be involved in the Conservation Credit System through the Sagebrush Ecosystem Program. This event will take place at the Elko Convention Center and will offer separate debit and credit meetings to discuss and answer questions about the Program and receive feedback for improvement. The workshop will conclude with a mixer for all attendees and sponsors with food provided.

This is a great opportunity to learn more about the Program and to meet with other Proponents to purchase or sell available credits. Sponsors will be there to enhance further collaboration and assistance with restoration – both public and private lands.
